

Dear Fuji Sensei,

I would like to express my deepest gratitude to you for all that you done for me during my recent illness, the help and advice you gave to my wife was kind beyond words.

It was a very difficult time for both my wife and myself and your wonderful help enabled me to travel to Japan and experience the superb care, attention and incredible skills of both [redacted] Sensei and [redacted] Sensei and indeed all the staff at

Japan.

I am very fortunate indeed to
have made a full recovery and
I am enjoying a normal life
once again.

My most sincere thanks to you
once again

Best Regards
